Course Registration for 2019-20
Student Information

It's time to choose your classes for your SENIOR YEAR!!! Can you believe it?

What's NEW and DIFFERENT?

County-Wide change in Honors Criteria

(New criteria is in effect for Fall 2019 and beyond)

- Level 4 or 5 in Previous Course (A if NCFE, VoCat, or Teacher-Made Exam)
OR
- 90 or Higher Average in Regular Course/85 or Higher Average in Honors Course
OR
- School Recommendation (Teacher Input, EVAAS, Previous Grades, Previous Test Scores to include PreACT and ACT, AIG, etc.)

What's NEW and DIFFERENT?

- No Honors application
 - All courses available to you next year will be on your Course Request Sheet
 - Both the standard and honors course will be available for you to mark, and the pre-requisites will be right there beside each one
- Addendum page
 - Some of you will have an extra page attached to your Course Request Sheet
 - If you applied for an HCC or NCVPS course, Media Assistant, Yearbook Staff, Peer Helper, or Nursing Fundamentals
 - If you expressed interest in Drill and Ceremony, or auditioned for Bach to Broadway and/or Orion
 - If you play a sport and your coach requests that you be in a weights course
 - If you take a class called CA
- **NEW THIS YEAR**, you will mark **ALL 8** of your top class choices for next year and **ALL** of your alternates right on your Course Request Sheet!

WHAT TO EXPECT

- On March 4, in homeroom, you will be given your Course Request Sheet (with Addendum if necessary)
- On March 4, from 3:00pm to 6:00pm, guidance counselors will be available to answer questions in the guidance center for those needing additional assistance.
- Then, you will have a little over a week to look over the sheet, look up course descriptions, make decisions on honors classes, “complete” the form, and you and parent/guardian sign.

Completing Your Course Request Sheet

- All courses available to you will be listed on your Course Request Sheet and Addendum if applicable
- You are to place an “X” by the 8 classes you need/hope to take next year, this includes core classes
- You will then be asked to mark another **4** courses as Alternates, with an “A”. Alternates are classes that you would be willing to take if one of your top choice electives is unavailable, or if there is a conflict with a couple of your courses
- Once you have all **8** X’s and your **4** A’s, you will be asked to summarize those courses in a box, meaning you will write out your 8 top choice classes, and write out your alternates in the order in which you would prefer them.

permission to enter requests into the computer on their assigned day and time.
