**ANNUAL PUBLICATIONS.** You applied for this class and you were selected to participate. The expectation is that you will en

selections are made, and you have 8 X's and 5 A's marked, summarize those choices below. It is helpful if we know the preferred or as your alternates, so number 1 is your first choice in both sections.

### REQUIRED 11<sup>th</sup> GRADE COURSES

(Taking up 4 of your X's)

We will look at each category for specific choices, so no need to write in Honors and Levels

### ELECTIVE CHOICES

(Taking up your last 4 X's)

These are the 4 electives you want the most.  
Rank order your three electives with 1 being your favorite  
If one of your electives is year-long or available twice, write it in 2 boxes

### ALTERNATES

(These are your alternates)

Classes you are willing to take  
Rank order your A's w/ 1 being your favorite  
If one of your alternates is year-long

I have marked 8 courses above with an X indicating my top 8 choices, and I have marked 4 courses with an "A" indicating that I would be willing to take them as alternates should one of my 8 be unavailable. I realize that these are requests, and that I am not guaranteed a specific schedule. I understand that if my guardian signature are not here, I will be unable to submit my requests on my assigned day. I understand that on the day I enter my course requests MUST match the 8 X's and 4 A's marked on this sheet.
