...

Course Registration for 2019-20  
Student Information

Time to choose your **SOPHOMORE** classes! Doesn't it feel great?

# What's NEW and DIFFERENT?

## County-Wide change in Honors Criteria

(New criteria is in effect for Fall 2019 and beyond)

- Level 4 or 5 in Previous Course (A if NCFE, VoCat, or Teacher-Made Exam)  
OR
- 90 or Higher Average in Regular Course/85 or Higher Average in Honors Course  
OR
- School Recommendation (Teacher Input, EVAAS, Previous Grades, Previous Test Scores to include PreACT and ACT, AIG, etc.)

# What's NEW and DIFFERENT?

- All courses available to you next year will be on your Course Request Sheet
  - Both standard and honors course will be available for you to mark, and the pre-requisites will be right there beside each one. If you meet the pre-requisites you can CHOOSE an honors class.
- Addendum page
  - Some of you will have an extra page attached to your Course Request Sheet
  - If you applied an NCVPS (online) course or Yearbook Staff
  - If you expressed interest in Drill and Ceremony, or auditioned for Bach to Broadway and/or Orion
  - If you play a sport and your coach requests that you be in a weights course
  - If you take a class called CA
- You will mark ALL 8 of your top class choices for next year and ALL of your alternates right on your Course Request Sheet!

# WHAT TO EXPECT

- On March 4, in homeroom, you will be given your Course Request Sheet (with Addendum if necessary)
- On March 4, at 5:30 pm in the Auditorium, you and your parent/guardian are invited to attend a “Registration Information Session” where we will go over the changes more in depth, and more fully explain the Course Request Sheet and how to sign up for Honors classes
- Then, you will have a little over a week to look over the sheet, look up course descriptions, make decisions on honors classes, “complete” the form, and you and parent/guardian sign

# Completing Your Course Request Sheet

- All courses available to you will be listed on your Course Request Sheet and Addendum if applicable
- You are to place an “X” by the 8 classes you need/hope to take next year, this includes core classes
- You will then be asked to mark another **4** courses as Alternates, with an “A”. Alternates are classes that you would be willing to take if one of your top choice electives is unavailable, or if there is a conflict with a couple of your courses
- Once you have all **8** X’s and your **4** A’s, you will be asked to summarize those courses in a box, meaning you will write out your 8 top choice classes, and write out your alternates in the order in which you would prefer them.
