

Chromebook Distribution

All students will need a chromebook or laptop for the 2020-2021 school year. Pisgah High School is now going one-to-one with our Chromebooks. One-to-one refers to one computer for every student. This means every student at PHS can receive one Chromebook that they will utilize for all four years of school.

Students do not HAVE to take a Chromebook. If you have a laptop at home that you would prefer to use, you may use it. The expectation, however, is that when the school building opens, students bring their chromebook (whether personal device or school device) to PHS **every single day**.

*At the time of distribution, parents must be present in order to pick-up a device. All devices will be given out in a drive-through fashion. Stations will be set up alphabetically by last name. In the event of inclement weather, devices will be given out at the Front Awning.

Pick-up procedure for 10th - 12th graders:

10th -12th graders who need or would like to pick up a chromebook please note the following pick-up schedule:

12th graders and their parents can pick up a chromebook on **August 10th** from 10:30AM - 1PM.

11th graders and their parents can pick up a chromebook on **August 11th** from 10:30AM - 1PM.

10th graders and their parents can pick up a chromebook on **August 12th** from 10:30AM - 1PM.

Pick-up procedure for 9th graders:

Devices for freshmen will be given out following their orientation event. *Parents must be present to pick up a device.* There will be stations outside Building "A" for walk-up. In the event of inclement weather, devices will be given out in the media center.

The Freshman orientation event is separated into three different time slots (*see Freshmen Orientation specific email*), with devices available for checkout at 9:30 AM, 11:30 AM, and 2:00 PM.

*For those unable to pick-up a device during these times, devices will be available during the launch event in the first week of school. As a part of this event, the media center will be open from 7:30 AM to 8:15 AM for device checkout.
